Infosys BPM CSR Skill Development Program Celebrates Student Achievements with Certificate and Book Distribution at SSBT's ACSC College Bambhori, JALGAON.

The Infosys BPM CSR Skill Development Program recently held a certificate and book distribution event at the Arts, Commerce, and Science College. This program aims to enhance skill development among students, equipping them with the necessary tools and knowledge for their future careers.

The event was coordinated by Dr. Shirule Sir, Mr. Milind Birkhade, and Ms. Pratiksha Patil & HOD (BBA) r. F. G. Shaikh sir. Certificates and books were distributed by the college's Principal, Dr. S.L. Patil. This initiative is part of Infosys's broader commitment to corporate social responsibility, focusing on education and community development (Infosys).

For more details on Infosys's CSR initiatives, you can visit their [official website](#).

Cancer Awareness Program

SSBT's Arts, Commerce and Science College in Jalgaon recently held a cancer awareness program on 10 February aimed at educating students and staff about cancer prevention and early detection. The event featured expert talks, interactive sessions, and informational materials to increase awareness of cancer risks and screening methods. The initiative is part of the college's broader efforts to promote health and well-being within the community. The program received positive feedback for its informative and engaging approach.

Alumini Expert Lecture

On 14th February 2024, SSBT's Arts, Commerce, and Science College in Jalgaon hosted an alumni expert lecture program specifically for BCA students. The event featured successful alumni who shared their valuable industry experiences and insights, aiming to bridge the gap between academic learning and professional practice. This initiative is part of the college's ongoing efforts to enhance student learning through practical knowledge and networking opportunities. The program was well-received and highlighted the strong connection between the college and its alumni community, providing current students with inspiration and guidance for their future careers.

College Level Events

Dr. S.L. Patil recently organized a notable event in the BCA (Bachelor of Computer Applications) department at SSBT's Sanchalit Art's Commerce & Science College, Bambhori in Jalgaon. This event, held on Last Weeks of Feb 2024, focused on the theme of "Innovations in Technology and Management," aiming to bridge the gap between academic and industry by providing a platform for students to showcase their innovative ideas and technical skills.

The event included several activities such as paper presentations, coding competitions, workshops on emerging technologies, and interactive sessions with industry experts. Participants had the opportunity to present their research on recent trends in computer science and applications, gaining valuable feedback and insights from peers and professionals.

Debate Competition

On 16th February 2024, SSBT's Arts, Commerce, and Science College hosted an engaging debate competition. Coordinated by Ms. Kapde and supported by the dedicated staff, the event showcased students' eloquence and critical thinking skills. Participants debated various topics, fostering a spirit of healthy competition and intellectual growth.

Leadership and Team-Building Seminar at SSBT's ACSC College for BCA Students

On 21st February 2024, SSBT's Arts, Commerce, and Science College hosted a Leadership and Team-Building Seminar in Room No. 310, specifically for BCA students, led by Dr. D.D. Puri. The seminar featured engaging sessions with renowned speakers and interactive workshops. Topics covered included leadership traits, communication strategies, effective team-building, and real-life case studies. Participants had the opportunity to learn, discuss, and apply these concepts in a collaborative environment, enhancing their leadership and teamwork skills.

Dr. D.D.Puri Explore key traits and qualities of effective leadership

On 22nd February 2024, SSBT's Arts, Commerce, and Science College held an exciting quiz competition. Coordinated by Ms. Kapse and supported by the staff, the event tested students' knowledge across various subjects. It was a day of intense quizzing, fostering a spirit of learning and camaraderie among participants.

Quiz Competition

Poster Presentstion

On 26th February 2024, SSBT's Arts, Commerce, and Science College hosted an insightful poster presentation event. Coordinated by Ms. Vaishnavi Suryavanshi and supported by the staff, the event showcased creative and informative posters from students across various disciplines. The presentations highlighted innovative ideas and research, promoting a culture of academic excellence and creativity.

Innovation Seminar at SSBT's ACSC College for BCA Students

On 29th February 2024, SSBT's Arts, Commerce, and Science College hosted a seminar focused on innovation fundamentals for BCA students. Dr. Zope delivered a comprehensive keynote address, providing deep insights into the core principles of innovation. The event also featured interactive sessions on brainstorming, design thinking, and problem-solving methodologies, engaging participants in practical and thought-provoking activities.

Dr. P.H. Zope highlighted the significance of innovation.

Industrial Visit 2024

Global Computers

We are excited to announce that the BCA department students from SSBT'S Sanchalit Arts's Commerce and Science College in Bambhori, Jalgaon, recently undertook a productive industrial visit to Global Computers. This visit was organized to provide students with practical insights into the workings of a prominent company/industry in SOFTWARE.

Exciting News for BCA Department Students: First-Ever Shirdi Waterpark Trip!

The BCA department of SSBT's Sanchalit Arts Commerce & Science College's ventured on an unprecedented journey, combining leisure and spirituality with their first-ever Shirdi Waterpark & Darshan trip. This dual experience allowed students to enjoy thrilling water activities at Shirdi Waterpark and partake in the serenity of Sai Baba's shrine. Led by faculty, the trip aimed to foster camaraderie and holistic development among participants, leaving them with cherished memories and enriched spirits.

BCA Department Students & Faculty Wins First Prize on Traditional Day Celebration

In a heartening display of unity and cultural appreciation, faculty members of the Bachelor of Computer Applications (BCA) department actively participated in the recent Traditional Day celebration alongside students. The event, aimed at fostering cultural diversity and community spirit, witnessed enthusiastic involvement from both students and faculty.

The BCA department faculty's spirited participation didn't go unnoticed, as they clinched the prestigious first prize in the faculty category. Their remarkable display of traditional attire, cultural performances, and overall engagement stood out, earning them accolades from the institution.

1st Prize was won by Hansa Prajapat (BCA)

2nd Prize was won by Komal Patil (BCA)

Parents Meet 2024

On 16th March 2024, SSBT's Arts, Commerce, and Science College organized a Parents Meet. The event aimed to foster communication between the college and the parents, ensuring a collaborative approach to students' academic and personal development. One of the highlights of the meet was a speech by a parent, who expressed appreciation for the faculty's dedication and the college's commitment to providing quality education and support for their children. The meeting provided a platform for parents to share their feedback and discuss their concerns with the college staff, strengthening the community bond.

BCA Toppers Honored by Dr. S.L. Patil, Principal of Art, Commerce & Science; Vice Principal of Engineering V.S. Pawar, and Principal of Pharmacy Dr. Amol Landge; HOD Mrs. Richa Modiyani Also Present

Topper Student

The event celebrated the exceptional academic performance of top-ranking students across disciplines. Dr. Patil, V.S. Pawar, and Dr. Landge commended the students for their dedication and hard work, while HoD Mrs. Richa Modiyani expressed pride in their accomplishments. Certificates of recognition were awarded to the deserving students, underscoring the institution's commitment to nurturing talent and promoting academic excellence.

Bollywood Day

Bollywood day was celebrated on 16th March 2024 which was last day of "Vasant Utsav 2k24". There are 24 participants for Bollywood Day. Among them Yash Sonawane from FYBCA was the Winner who played role of Vasuli Bhai from Golmaal movie. And also from faculty participants Mr. Milind Birhade was the Winner who played role of Ranvijay Singh from Animal Movie. At the time of price distribution Cultural Committee members Mr. Milind Birhade (BCA), Ms. Diksha Suryawanshi (BCA), Mr. N. M. Kazi (E&TC), Mr. J. N. Kale(Civil), Mr. M. B. Patil(FE Engg)

The grand finale of the third part of Vasant Utsav culminated in a mesmerizing musical orchestra, orchestrated by the renowned talents Munnawar Ali and Shravani Mahajan, alongside the expert coordination of the Blue Bell Event Management crew. Their collaborative brilliance illuminated the stage, weaving together harmonious melodies that enraptured the audience. With their skillful performances and meticulous planning, they transformed the event into a symphony of cultural delight, leaving a lasting impression on all who attended. As the curtains closed on this remarkable spectacle, attendees departed with hearts full of appreciation and memories to cherish, testament to the exceptional artistry and dedication of Munnawar Ali, Shravani Mahajan, and the entire Blue Bell Event Management team.

Farewell Program and Gift Distribution Organized by Faculty with Honorable Principal Dr. S L Patil's Permission

Some glimpse of Farewell Party

In a heartwarming gesture, the faculty of hosted a farewell program for the outgoing students of TYBCA 2024 batch, with the gracious permission of our esteemed Principal, Dr. S L Patil. During this memorable event, faculty members personally distributed farewell gifts to each student by hand, symbolizing our best wishes for their future endeavors. The program was filled with touching moments and expressions of gratitude. We thank Dr. S L Patil for his support in making this farewell a cherished experience for all.

Peer to Peer Learning

The Hexa Technical Squad from the TYBCA class at SSBT's Arts, Commerce, and Science College is spearheading an innovative peer-to-peer learning initiative. This program is designed to teach technical languages to students in the FY and SY BCA classes, fostering a collaborative learning environment and enhancing technical proficiency among juniors.
