**Department of Computer Applications**

The Department of Computer Applications was established in 2019 at SSBT, Jalgaon, with an intake of 60 students. The BCA course is affiliated with Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon.

The department has experienced faculty, spacious classrooms, and well-equipped computer labs to meet the academic needs of students. The BCA curriculum is designed to match industry trends and prepare students for IT careers.

The department provides advanced digital classrooms, e-learning resources, and online coding platforms to enhance technical skills. Students have access to interactive learning tools, virtual labs, and educational software that help them stay updated with the latest industry trends. This modern approach ensures a dynamic and engaging learning experience, making education more accessible and effective.

To enhance skills and boost confidence, the department conducts:

- Coding competitions
- Guest lectures
- Hackathons
- Presentations
- Quiz competitions
- Industrial visits
- Internships
- Career Counseling
