Session On National Pollution On Control Day

Aim

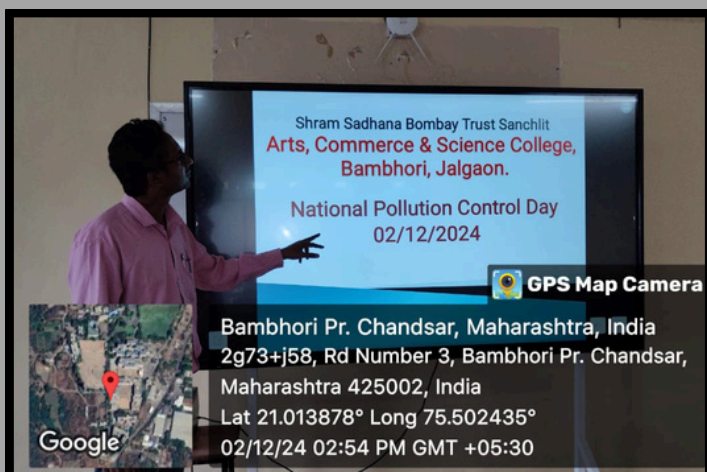

The aim of the session on National Pollution Control Day is to raise awareness among students about the importance of pollution control and its impact on health and the environment. It seeks to educate on various types of pollution and encourage sustainable practices and collective responsibility to reduce pollution in daily life.

OBJECTIVE

1. To educate students about the different types of pollution and their environmental impact.
2. To raise awareness about the importance of pollution control for public health.
3. To promote sustainable practices and eco-friendly alternatives among students.
4. To encourage active participation in community efforts to reduce pollution.

Description about the program

A session on National Pollution Control Day was conducted on 2nd December 2024 at 2:30 pm in Room No. 310 at SSBT ACS College, Bambhori, Jalgaon. The session was organized for BSc, BCA, and BBA students and aimed to raise awareness about pollution control. Mr. D M Mistari, from the BSc Department, led the session, educating students on various types of pollution and their environmental impact. The objectives included promoting sustainable practices and encouraging eco-friendly alternatives. Students were urged to take responsibility for reducing pollution in their daily lives.

Avishkar

Aim

The aim of SSBT Arts, Commerce, and Science College, Bambhori, Jalgaon, participating in Avishkar 2024 is to provide students with a platform to showcase their innovative research and creative projects, fostering scientific curiosity, critical thinking, and problem-solving skills. This participation aims to promote academic excellence, encourage interdisciplinary collaboration, and inspire students to contribute to the advancement of knowledge and research in various fields.

OBJECTIVE

1. Do provide students with a platform to present their innovative research and projects at Avishkar 2024.
2. To encourage students to develop critical thinking, creativity, and problem-solving skills through research-based activities.
3. To promote interdisciplinary collaboration and exchange of knowledge among students from different fields of study.
4. To inspire students to contribute to the advancement of scientific and academic knowledge through active participation in research

Description

The first phase of Avishkar 2024 was conducted on 5th December 2024 at Dadasaheb Dr. Suresh G. Patil College, Chopda. SSBT Arts, Commerce, and Science College, Bambhori, Jalgaon, actively participated in this prestigious event organized by KBC North Maharashtra University (KBCNMU), Jalgaon. SY BSc students Makarand Patil and Mayur Suryawanshi represented the college and presented their innovative research projects. Their outstanding performance in Phase I earned them a selection for Phase II of the competition. The event provided a platform for students to showcase their creativity, critical thinking, and problem-solving skills, while also fostering interdisciplinary collaboration and academic excellence. The college's participation in Avishkar 2024 highlights its commitment to encouraging research and innovation among students.

Techfest Meshmerize IIT Bombay

Aim

The aim of participating in the Techfest Meshmerize Competition at IIT Bombay is to provide students from SSBT Arts, Commerce, and Science College, Bambhori, Jalgaon, with an opportunity to showcase their innovative skills and creative solutions in cutting-edge technology. The participation aims to enhance students' problem-solving abilities, foster teamwork, and inspire them to engage with the latest technological advancements, ultimately promoting academic excellence and innovation.

OBJECTIVE

1. provide students with a platform to showcase their innovative skills in technology.
2. To enhance students' problem-solving abilities through participation in competitive events.
3. To encourage teamwork and collaboration in tackling real-world technological challenges.
4. To inspire students to stay engaged with the latest advancements in technology and innovation.

DESCRIPTION

SSBT Arts, Commerce, and Science College, Bambhori, Jalgaon, participated in the Techfest Meshmerize Competition organized by IIT Bombay on 7th October 2024. This prestigious event provided students with a platform to showcase their innovative skills and creativity in the field of technology. The competition challenged participants to solve real-world technological problems, fostering teamwork, critical thinking, and problem-solving abilities. By taking part in this event, the students had the opportunity to engage with the latest advancements in technology, gaining valuable experience and exposure to cutting-edge innovations. The participation reflects the college's commitment to promoting academic excellence and encouraging innovation among its students.

Session On National Energy Conservation Day

Aim

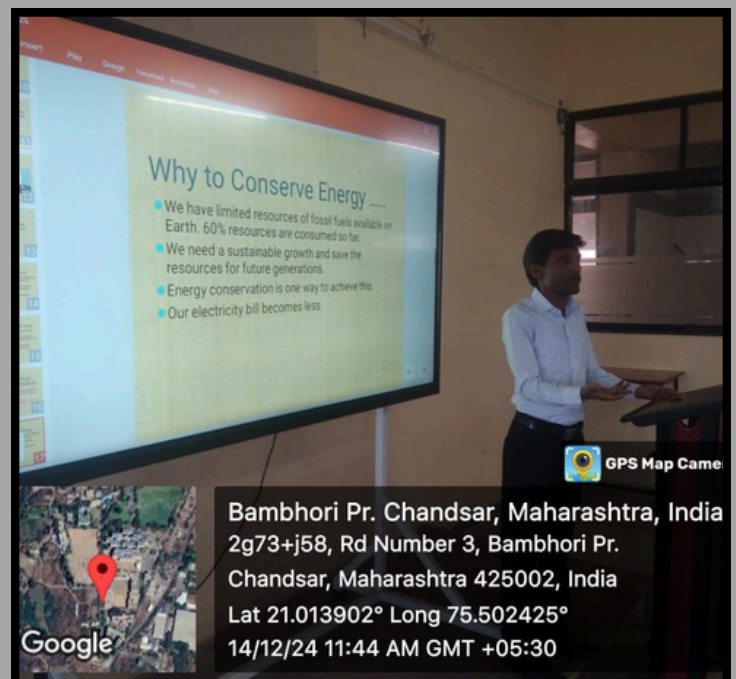

The aim of the session on National Energy Conservation Day (14th December 2024) is to raise awareness about the importance of energy conservation, encourage students to adopt energy-efficient practices, and promote sustainable energy use. The session aims to educate students on how small changes in daily habits can lead to significant energy savings, ultimately contributing to environmental protection.

OBJECTIVE

1. Raise awareness about the significance of energy conservation for environmental sustainability.
2. Promote sustainable energy practices to reduce energy consumption and wastage.
3. Encourage behavioral change in individuals to adopt energy-efficient habits.
4. Support government initiatives aimed at improving energy efficiency and sustainability.

DESCRIPTION

On December 14, 2024, Dr. S.M. Shembekar, Assistant Professor at SSBT College of Engineering and Technology, Bambhori, Jalgaon, conducted an informative session on the occasion of National Energy Conservation Day. The session, which took place at 11:30 AM in Room No. 310, was attended by students from SSBT Arts, Commerce, and Science College. Dr. Shembekar provided a comprehensive lecture on the importance of energy conservation, discussing its environmental impact and the need for sustainable practices. The session aimed to raise awareness and motivate students to adopt energy-saving habits. The event concluded with a vote of thanks from P.V. Joshi, who expressed gratitude to Dr. Shembekar for his valuable insights and contribution to the event.

Inter College Cricket Competition

Aim

The aim of participating in the inter-college cricket competition under KBCNMU Jalgaon at Parola, with Dhandai Jr. College Amalner, is to provide SSBT ACS College students an opportunity to showcase their sporting skills, foster teamwork, and promote a healthy competitive spirit. Through this event, students will not only represent their college but also gain valuable experience in sportsmanship, discipline, and resilience. The competition encourages students to strive for excellence, build confidence, and develop life skills that will help them both on and off the field. By actively engaging in such events, they will also contribute to the college's sports culture, motivating others to participate and pursue physical activities for overall well-being.

OBJECTIVE

1. To provide students with a platform to showcase their cricketing skills and talent.
2. To promote teamwork, discipline, and sportsmanship among participants.
3. To foster a competitive spirit and encourage personal growth through sports.
4. To enhance the reputation of SSBT ACS College in inter-college sports competitions.

DESCRIPTION

The inter-college cricket competition under KBCNMU Jalgaon was held at Parola on December 18, 2024, where students from SSBT ACS College participated with great enthusiasm and determination. In an impressive display of talent and teamwork, the SSBT ACS College cricket team won their match in the first level of the competition, advancing to the second level. The next level of the competition will be held on December 20, 2024, where the team will continue to demonstrate their skills and determination to succeed. This achievement reflects the college's commitment to promoting sports and encouraging students to engage in physical activities for their overall development.
