PRINCIPAL'S MESSAGE

Shram Sadhana Bombay Trust has been established by Her Excellency Smt Pratibha Patil in 1978. Societal development through Education is one of the prime objectives of the trust. Hence the trust instigated an educational premise in Khandesh region (North Maharashtra) in 1983 which has emerged up as multidimensional education hub in past four decades. The trust has established educational institutes of diversified disciplines for the benefit of the students of this rural area. In the year 2019-20, one more jewel is added to its crown, the Shram Sadhana Bomaby Trust's Arts, Commerce and Science College.

The college has done its grand entry with so many strengths. It has a magnificent and elegant infrastructure located in a green and eco friendly campus, connected with national highway. It has qualified and experienced faculty, state of art laboratory facilities, and world class library. The whole campus is IT integrated. The sports facilities, hi-tech gym with dedicated trainer are additional features of this educational premise. The academic curriculum is reinforced with co-curricular and extra - curricular activities for the holistic development of students. Several activities are amalgamated with regular curriculum related to social service. Our dream is to transform a mankind to good human being and powerful human resource apart from being a patriotic citizen.

The dream will turn to reality when best students will be attracted towards the institute. The institute is committed to provide a conducive environment for the students who have a zeal for knowledge, ability and willingness to transport and a vision of their career in their minds. With this vision in eyes the institute has taken its first and firm step of its ambitious voyage. Under the visionary and dynamic leadership of the Managing Trustee of the Trust the institute is confident of realizing its dreams. I humbly call upon all the stake holders of the institute including staff and students for their whole hearted cooperation in realizing the vision. Any suggestion for improvement will be acknowledged gratefully.

Under Graduate Programmes offered by the college for Academic year 2024-25 under NEP 2020.

The UGC has revised the CBCS and developed a new Curriculum and Credit Framework (CCF) for undergraduate and post graduate programmes. New Education Policy (NEP) is being implemented by the Indian government's ministry of human resource development (MHRD) beginning with the 2023-24 academic year. New Education Policy (NEP-2020) is being implemented by the North Maharashtra University, Jalgaon to all affiliated colleges from academic year 2024-25.

Objectives of NEP 2020:

The NEP 2020 aims to transform the education system in India to ensure that it is inclusive, holistic, and flexible. The following are the key objectives of the NEP 2020:

1. **Holistic Development:** The NEP 2020 aims to develop a system that fosters the overall development of students, including cognitive, social, emotional, and physical development.
2. **Equity and Inclusion:** The policy aims to ensure equitable access to education for all, regardless of gender, religion, caste, or socio-economic status. It also focuses on providing quality education to marginalized communities and those with disabilities.
3. **Flexibility:** The NEP 2020 aims to promote a flexible education system that allows students to choose their courses and subjects according to their interests and aptitudes. It also aims to promote multiple entry and exit points in education, making it possible for students to pursue their studies at their own pace.
4. **Quality Education:** The policy aims to ensure that all students receive a quality education on par with international standards. It focuses on improving the quality of teachers, curriculum, and infrastructure in schools and colleges.
5. **Vocational Education:** The NEP 2020 emphasizes the need for vocational education to equip students with the necessary skills and knowledge to succeed in the job market. It aims to integrate vocational education into mainstream education, ensuring that students have the opportunity to choose from a range of vocational courses.

Under NEP, various courses to be learn by student are categorized under the following heads:-

- **Course:** A basic unit of education and/or training. It means a paper which is taught for at least one semester as a part of a subject and is a component.
- **Major DSC (Mandatory):** The subject represents the main focus of the degree, and the degree will be awarded in that subject.
- **Elective Course DSE:** Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

Minor: Is the subject that may complement the Major subject or can have interdisciplinary bandwidth. Minor subjects may be related or unrelated to the Major subject. The Minor subjects may be from the different disciplines of the same DSC Major (Core) faculty or from different faculty altogether.

GE/OE: An elective course chosen generally from an unrelated discipline/subject, with an intention to seek multidisciplinary exposure is called a Generic Elective. It is to be chosen compulsorily from faculty other than that of the Major and from the faculty-wise baskets of OE prepared by Colleges.

VESC: Vocational and skill enhancement courses include

- **SEC (Skill Enhancement Courses) and VSC (vocational skill courses),** to be selected from the basket of Skill Courses approved by Colleges. These courses aim to provide students with hands-on training, competencies, proficiency and skills. The courses are expected to enhance skill and employability.
- **AEC (Ability Enhancement Courses):** Includes English: 04 Credits, Modern Indian Language: 04 credits
- **VEC (Value Education Courses):** To be chosen from the courses, such as; Understanding India, Environmental Science/Education, Digital and Technological Solutions, the Constitution of India, Ethics and Value Education.
- **IKS (Indian Knowledge system):** Courses on IKS to be selected from the basket of IKS courses approved by the college. The course is based on the Indian Knowledge system, such as historical accounts of science in India, ancient Ayurveda.
- **CC (Co-curricular Courses):** To be chosen from the courses, such as; Health and Wellness, Yoga education, Sports and fitness, Cultural Activities, NSS/NCC and Fine/Applied/Visual/Performing Arts.

Academic Bank of Credits (ABC): Academic Bank of Credits (ABC) is the initiative of Ministry of Electronics and Information Technology (Meity) and Ministry of Education (MoE) respectively. As per National Education Policy 2020, the Academic Bank of Credit (ABC) has been envisage, to facilitate the academic mobility of students with the freedom to study across the higher education institutions in the country with an appropriate “credit transfer” mechanism from one programme to another, leading to attain a Degree/ Diploma/ PG diploma, etc.,
